##### 2. BACKGROUND

- 2.1 On 26 September 2023, the Authority launched the first 11 modules of the newly revamped FSCA Trustee Training Toolkit (TTK) on its e-learning platform and issued FSCA RF Notice 21 of 2023 pursuant to Conduct Standard 4 of 2020 (RF) read with section 7A(3) of the PFA. This notice required that all board members of retirement funds who were appointed or elected on or before 26 September 2023, complete the first 11 modules within six months from the date of publication. It also provided that new board members of retirement funds appointed or elected after 26 September 2023 must complete the first 11 modules within six months from the date of appointment or election.
- 2.2 The Authority completed the TTK Development Project on 28 March 2024 with the release of the final phase of modules on its e-learning platform. This phase introduced the remaining 11 modules, bringing the total to 22 modules aimed at enhancing the skills and knowledge of trustees to better fulfil their fiduciary duties.
- 2.3 Due to technical challenges experienced by trustees, the Authority issued FSCA Communication 11 of 2024 (RF) on 28 March 2024, announcing the extension of the deadline for completing the first set of 11 modules by way of FSCA RF Notice 5 of 2024, and determining the dates by which board members were required to complete the second

set of 11 modules by way of FSCA RF Notice 6 of 2024. Both sets were to be completed by 30 September 2024.

2.4 The Authority emphasised that non-compliance will result in regulatory action being taken against recalcitrant trustees, including the potential regulatory action in terms of section 26(2) and (4) of the PFA.

2.5 To evaluate whether there has been non-compliance with the aforesaid Notices, and whether or not to proceed with regulatory action in instances of such non-compliance, the Authority requires up-to-date regulatory information on board members of retirement funds.
